BUNNY WILLIAMS
On Garden Style

The simple stone walls and square green hedges leading up to the front of Gil Schafer's Greek Revival house in Millbrook, New York, complement the classical lines of the house.

Hundreds, yes, literally hundreds, had come out in a single night; the green bushes bowed down as though they had been visited by archangels.

Cascading wisteria softens the classical-style pergola in Gil Schafer's garden. The pergola was inspired by one in Charles Platt's house in Cornish, New Hampshire.
