ASSOULINE

“With its sophistication, architecture, landscape and southern charm, Aiken, South Carolina, is the perfect getaway. The tranquil setting and bucolic lifestyle are the perfect juxtaposition to city life. One has time to slow down, walk sandy dirt roads and enjoy the Southern heat.” **John Bossard**

“Charleston is an incredibly beautiful city—an architectural gem almost untouched by the passage of time. It's a joy to walk down each of its streets filled with discovery after discovery, house by house—a traditionalist's dream. The city itself is a museum beyond compare.”
